ABOUT
OLIVE + OPAL

Since we started Olive + Opal in 2017, we've been offering fresh and fun style to sophisticated realtors, flippers and homeowners in the central St. Louis area. Our staging is unparalleled - we love curating pieces from local businesses and blending classic-yet-contemporary elements that evoke interest and inspire sales.

We are lucky to be able to pair our passion and skills to help our St. Louis clients to prepare their homes for the market.

We love our jobs and we are pumped to share what we know and what we've learned along the way with our followers.
